

**Holy Mass and Devotions Online in the Diocese of Leeds
(updated 31.03.2020)**

Public Masses cannot for the time being be celebrated in the Diocese of Leeds and all churches are closed.

The GOOD NEWS is that in addition to Leeds Cathedral where Mass and other Devotions being 'live-streamed' DAILY via YouTube channel: www.leedscathedrallive.org.uk the following parishes/churches now have the facility to 'live-stream' or otherwise broadcast Holy Mass online, whilst adhering to the Public Health guidelines regarding physical-distancing.

*****Please note that it is a feature of the text-giving facility that allows for no more and no less than £5 to be given to the Offertory via each text. If your regular weekly parish giving is either more or less than this amount, please feel free either to send more than one text - or maybe use this facility just once a month. Thank you for supporting the work of the Church: your generosity is much needed and particularly appreciated at this time!*****

This list will be updated as and when other Masses are available online...

Even if your parish does not have the technical facilities to broadcast Mass online, you can still support your own parish's Offertory by text giving. A list of how to give to any parish by text is currently being compiled and will be added to this document in due course...
