Parents, please keep our Year 6 children in your thoughts next week...

Year 6 children, here are a few words which may help...

An important message about your child's attendance

The learning that your child is exposed to today is an essential building block in their education. Please don't spoil their chances by taking them out of school for term time holidays.

Calling all shoppers...

...when you are next in Tesco, give us a great chance of winning, by placing the blue token that you collect at the check-out in the container labelled 'St. Joseph's'. Hopefully, if we win, we will be able to hold school performances that give the West End shows a run for their money!

Mad Science Assembly

All parents are invited to our 'Mad Science Assembly' on Wednesday, 22nd May. It will begin at 2.30pm so make sure you are seated for a prompt start. It is likely to last for 30 – 45 minutes and some promotional leaflets will be making their way to you soon. If we have enough interest in mad science, we may even be able to run an after school club – there will be more details about this in the leaflet. All we need are at least 15 children to sign up so please do come along to see what it is all about!

Cycling Lessons

Mr Butt will be in school next Tuesday, 14th May, to run cycling lessons all afternoon. Children in Years 1 and 2 will need to bring their own bikes and helmets to school that day, and park them outside the classroom door.

Parent Lunch

Don't forget to come along to our parent lunch next Thursday, 16th May at 12noon!
